Our General Pet Policies Are As Follows*:

- Cats are allowed in apartments and houses (unless "No Pets" is indicated). Dogs are only allowed in houses. Cats must be front-declawed. Dogs must be properly trained. Cats and dogs must be spayed or neutered.
- Due to temperament issues, we do not allow: Pit-bulls; Staffordshire Bull Terriers (another term for Pit-bulls); Rottweilers; Dobermans; or Chows. Due to size considerations, we do not allow: Saint Bernards; English Mastiffs; or Great Danes.
- We do not allow more than two (2) pets per dwelling. An initial pet fee of \$200.00, per dwelling (not per pet), must be paid prior to the arrival of any pet(s). The monthly rent will also be increased by \$20.00 per month for one pet, or \$30.00 per month for two pets.
- There is no initial pet fee or rent increase for fish tanks, but we do not allow tanks over 20 gallons. Absolutely no rodents are allowed in our properties (this includes ferrets). The acceptance or refusal of any pet, for any reason, is at our discretion.
